

Curriculum Corner

Early Childhood

Welcome Everyone! What a great start to the school year. We are learning all about how to be a student, routines and taking care of myself. We read Pigeon Goes to School, Chicka Chicka BOOM BOOM and Pete the Cat I Love my White Shoes. We explored all the learning centers like kitchen, blocks, sensory table and painting.

Kindergarten

Kindergarten has been having a great time learning about colors and shapes!! Mr. Engle has come in to read to us and helped brainstorm ways to be a good friend. We have been engaged with color days and are moving into learning about all the letters and sounds!!! Nothing better than the ABC's and 123's. We are looking forward to a fantastically fun filled year!

1st Grade

First graders have been learning about community helpers. They were excited to collaborate with classmates and create a life size community helper. Then they labeled the important tools their helper uses to do their job. We also had Firefighter Frenette come in and speak to first grade about life as a firefighter.

2nd Grade

Students have worked on building relationships within our classroom communities and how to be a kind classmate. They have worked on how to preserve and problem-solve situations that may arise with peers both in and out of the classroom.

Second graders are working on number patterns and base-ten for math.

We have learned about the history of how communities changed over time.
